

FAIRVIEW PARK GARDEN CLUB

Showcase Garden Award

Everyone appreciates a beautiful garden. You can nominate a beautiful property of your choice to be the recipient of Fairview Park Showcase Garden Award.

Twice a month, during the months of May thru September, 2 properties will have a sign placed in their yard by the Fairview Park Garden Club recognizing the owners' achievement. Properties will be selected from two of the six city areas on an alternating basis.

The purpose of this award is to recognize a property for garden/landscaping, visible from the street, which incorporates design, plant/floral usage, color, functionality, and aesthetics.

The property you nominate can be your own, a neighbor or a property you have always admired. Judging will be based on landscaping, scale of plantings, house maintenance and the overall beauty of the property. (Nomination does not guarantee an award will be given).

Please complete the following:

Address of Property: _____

Owners name: _____

Phone/email: _____

Please complete a brief explanation of why you are nominating this property

Your name, address, phone or email:
