25 **COMMITTEE REPORTS**

26 COUNCILMAN MINEK reported that the Environment, Public Works, Planning, Zoning &
27 Development Committee met on Monday, May 23, 2016 at 7pm to discuss the following: **Ordinance 16-**
28 **16**, amending portions of Chapter 1129 of the Office Building Districts to permit Mixed Use
29 Developments, with the regulations relating thereto, in the Office "3" Zoning District and **Resolution 16-**
30 **09** placing the ordinance on the November ballot. The ordinance & resolution have been referred to the
31 Planning & Design Commission on May 17, 2016 as per Article VII, Section 2(d) of the City charter
32 Mandatory Referral for report and recommendation. Participating in this discussion were Members of
33 Council, Mayor Patton, Law Director William McGinty, Building Commissioner Walter Maynard, Public
34 Service/Development Director Shawn Leininger, Mr. David Hartt, CT Consultants and Mr. Peter Ketter
35 Director of Historic Preservation at Sandvick Architects. Mr. Hartt and Mr. Ketter gave a very
36 informative presentation on the merits of amending Chapter 1129 to allow the mixed use concept of
37 residential, office and retail on a large parcel of land. At the present time in our city the former NASA
38 property on Brookpark Rd. East of the Brookpark Bridge would benefit by the new Mixed Use
39 Development. Preliminary discussion noted that possibly a hotel, restaurant, residential housing and
40 retail could be developed on that parcel. Motion to place Ordinance 16-16 and Resolution 16-09 on
41 second reading and return to committee was approved 6-0. **Ordinance 16-04** accepting and approving
42 the preliminary plat of the Thomas Lane Major Subdivision proposed by Garland New Homes, Inc. as
43 approved by the Board of Zoning & building appeals at its meeting of July 13, 2015 and declaring an
44 emergency. Participating in this discussion were Members of Council, Mayor Patton, Law Director
45 William McGinty, Building Commissioner Walter Maynard, City Engineer Michael Mackay, Public
46 Service/Development Director Shawn Leininger, Mr. Garland, President Garland New Homes, Inc. and
47 Mr. Bancroft, Development Consultant for Garland New Homes, Inc. After many meetings the EPA
48 finally gave their approval on May 18, 2016 to proceed with the development. City Engineer Michael
49 Mackay was requested to bring everybody up to date pertaining to the EPA issue. Engineer Mackay
50 stated everything is in order and answered questions pertaining to compliance, retention basin and other
51 sewer and water issues. Mr. Bancroft answered questions pertaining to the property. The parcel on Story

52 Road was also discussed. Motion to place Ordinance 16-04 on third reading and up for passage was
53 approved 6-0. This completes my report.

54

55 COUNCILMAN MCDONOUGH reported that the Local Government and Community Services
56 Committee met on Monday, May 23, 2016 to discuss one item. Ordinance 16-10, appoints a volunteer
57 magistrate for the Fairview Park Juvenile Diversion Program in conjunction with the Cuyahoga County
58 Juvenile Court. After a short discussion, a motion was made by Councilwoman Cleary to appoint
59 attorney Gail Nanowsky as Magistrate. The motion passed by a vote of 6-0, and this ended the committee
60 meeting.

61

62 COUNCILWOMAN CLEARY reported that the Finance Committee met on Monday, May 23rd. Mayor
63 Patton, Finance Director Greg Cingle, Law Director Billy McGinty and Director of Service and
64 Development Shawn Leininger were in attendance to discuss the following: **Ordinance 16-17** authorizes
65 the Mayor to enter into a contract with Lebanon Ford for the purchase of one Ford Explorer 4WD, 4 door
66 automobile. Lebanon Ford is an authorized vendor who offers vehicles at a price determined by the
67 General Services Administration for the State of Ohio. Mayor Patton reported that Service Department is
68 in need of a new vehicle as the car previously used by the Service Manager is no longer able to be
69 serviced and kept in good, safe running condition by the city mechanic. Council was in receipt of a letter
70 from Director Leininger asking that the ordinance be passed without three reads so that the vehicle can be
71 purchase immediately. The cost for the vehicle is \$29,495.00, paid for in five annual payments in the
72 amount of \$6,781.50 and will be paid from the Water Reimbursement Fund (500-7750). A motion to pass
73 without three readings carried 6-0. **Ordinance 16-18** levies a Special Assessment for street lighting for
74 the 2016-2017 tax years. Finance Director Greg Cingle reported that the previously assessed amount set
75 in 2012 does not generate enough revenue to cover the charge for the street lighting. The proposed
76 \$75,000 increase in revenue from this ordinance will increase the tax bill by approximately .94 per month
77 or \$11.30 for the year and, will account for any additional increased charges to the city for the annual
78 street lighting during the upcoming two years. A motion to place on 2nd, subsequent 3rd carried 6-0.
79 **Resolution 16-11** adopts the Alternate Tax Budget for the fiscal year beginning January 1, 2017 and
80 submits the budget to the Cuyahoga County Fiscal Officer. The Alternate Tax Budget is approved by
81 council annually and once approved, is forwarded to the Cuyahoga County Fiscal Officer to authorize the
82 county to set the tax bill for the community. The Alternate Tax Budget lists an estimate of the balances
83 available at the beginning of the fiscal year 2017, the revenues received for the fiscal year and the
84 expenditures to be paid from the revenues. A motion to place on 2nd, subsequent 3rd carried 6-0.
85 **Resolution 16-12** authorizes the submission of an application for financial assistance from the Ohio
86 Department of Natural Resources ODNR NatureWorks Grant Program. Matt Hrubey, the former Grants
87 Administrator was in attendance to report that if awarded, the grant will fund approximately \$161,591 in
88 park improvements including pavers, benches, pavement and a pavilion. The grant requires a 25% match
89 of the project cost. A motion to place on 2nd, subsequent 3rd carried 6-0. That concludes my report.
90 Thank you.

91

150
151 **AUDIENCE INPUT ON LEGISLATION UP FOR PASSAGE**
152 MR. TOM BERNIS – 19254 North Sagamore Road – MR. BERN said he read the legislation and looked
153 at the ordinances, and asked if a majority plus one vote was required for passage of the legislation.

154 THE CHAIR explained that only a simple majority approval was required for the legislation. If the
155 ordinance had been up for passage without three readings, then a majority plus one voted would have
156 been required.

157 MR. BERNS remarked that there was an empty room as we get to the end of the road for this legislation
158 and beginning of a new one. He said nothing that he was getting ready to say would change the way
159 members would vote, but wanted to offer comments for the record so that people can look back and see
160 the history and that someone spoke up for them. Mr. BURNS said, the way I see this, the City is trying to
161 wiggle out of a promise to preserve one acre for a safe neighborhood playground by substituting a quarter
162 acre, between two houses on Story Road with a ten foot retention basin. The substitute plan was
163 presented at a town hall meeting last spring. If that plan had been acceptable, hundreds of people would
164 not have continued to petition the city, they would not have continued to attend city council meetings and
165 make their voices known, they would not have attended Planning and Design Committee Meetings, they
166 would not have attended Board of Zoning Appeals meetings. There was lot of turnout at these meetings
167 and a lot of questions asked. MR. BURNS said as he sees it, there is a high road and a low road; the high
168 road being a “no” vote, followed by eminent domain seizure of one acre for a public park. He believes
169 the fair market value of that prior to subdivision would be about seventy-five thousand dollars. At the
170 town hall meeting, Mayor Patton had suggested seventy-five thousand to a hundred thousand dollars
171 would be available for playground equipment on the square acre, which he thinks would be adequate to
172 fund this one acre park that was promised to people when they made their zoning vote. Then there is a
173 low road. The low road is a “yes” vote that ignore the voices of hundreds of people, when it puts nominal
174 tax revenues from three houses ahead of the public safety concerns of an entire neighborhood and their
175 children. It’s been very disappointing for him to watch his neighbors come here and haplessly petition,
176 and essentially beg public officials to keep their promises. MR. BURNS said it will also be disappointing
177 to see the people in 2005 proven correct when they said you can’t trust Fairview Park public officials to
178 keep their word, they’re not trustworthy people, vote against this bill. The legacy of this vote, in his mind
179 will probably end up doing beyond a simple housing development. He told council they’ve probably
180 made up their minds how they will vote, he only hopes that they appreciate the gravity of their decision
181 should they choose what he perceives to be the low road. Thank You.

182

183 **LEGISLATION ON THIRD READING AND FINAL PASSAGE**

184 COUNCILMAN MINEK placed the following legislation up for third reading and final passage:

185 ORDINANCE NO. 16-04

186 REQUESTED BY: MAYOR EILEEN ANN PATTON

187 SPONSORED BY: COUNCILMEN MCDONOUGH AND MINEK

188 *AN ORDINANCE ACCEPTING AND APPROVING THE PRELIMINARY PLAT OF THE THOMAS*
189 *LANE MAJOR SUBDIVISION PROPOSED BY GARLAND NEW HOMES, INC. AS APPROVED BY THE*
190 *BOARD OF ZONING APPEALS AT ITS MEETING OF JULY 13, 2015 AND DECLARING AN*
191 *EMERGENCY*

192 THE CHAIR asked for any discussion.

193 COUNCILMAN MINEK said after many months, he wanted to thank everyone who participated in the
194 discussions pertaining to this development.

195 COUNCILMAN MCDONOUGH thanked Tom Berns for coming out tonight and agreed that it has been
196 quite a journey as we’ve gone through the process since the beginning of this ordinance. He thanked his
197 Ward 1 constituents, Kellie DuBay Gillis, who had it not been for this project, would probably not have
198 been involved in city politics. Dale and Marsha Smith, Matt Gibel, Scott Harris and former city
199 councilman John Young. He said that Mr. Young voiced his opinion and things ended up getting violent
200 for him for expressing what he thought on this proposed project. He said it goes without saying that the
201 Planning & Design Commission put a lot of thought in this, and he thanked Commission members
202 Sadonick, Czaplicki, Danko and Councilman Minek. He said they took an exhaustive approach and
203 reviewed and application and found defects. COUNCILMAN MCDONOUGH said that upon his review,
204 he believes those defects are still there. He said when those members voted to deny the application and

205 was appealed to the BZA, it really was a second case. There were different documents, submissions and
206 corrections made in documents. There were things that were never presented to the Planning and Design
207 Commission. He said that former Directors Rob Berner (Service) and Sara Fagnilli (Law) were here, and
208 he gives Mr. Sadonick a lot of credit for attempting to bring that to the BZA's attention at that time.
209 COUNCILMAN MCDONOUGH said that the positives of this process are that this issue has awoken the
210 Coffinberry neighborhood. He said he was happy to host two town hall community meetings and have a
211 chance to meet some of the 316 homeowners in Coffinberry, it is a wonderful neighborhood, and even
212 the neighbors to the East West Valley came out for some of them. Some spoke about the land being
213 sacred ground where kids were taught, played and grew up. He said that he liked it as a school, it
214 protected the neighborhood from sex offenders and allowed wonderful greenspace for recreation and the
215 occasional dog owner. He said he agrees that over time over the last twelve years that memories do fade,
216 and those promises and things change over time. He looks at it as a homeowner in Fairview Park as a gift
217 to rezone that property, which was originally owned by one of the original owners of the Cleveland
218 Browns. He said hearing from other former School Board President, Mr. Rehor and former Council
219 President, Mr. Bringman awoken the echoes of what the Gemini Project was, and what the spirit of
220 collaboration was between Council and the Board of Education. COUNCILMAN MCDONOUGH said
221 that with heavy heart he will have to vote no on this issue, because he really wants to welcome the new
222 families that are coming in to Thomas Lane Subdivision. We have a wonderful community in Fairview
223 Park, a great place to raise a family and open business. Of all the places he and his wife could have
224 picked to have lives Fairview was chosen. He said that it is sad that as he looks at this analytically and
225 the read the code under Chapter 1191, attended meetings, hosted town halls, looked at the transcripts and
226 reviewed applications, in his heart he must do what ethically he must. He said he took an oath to vote as
227 to whether on any issue it follows the Constitution, Charter and codified ordinances, and in this case he
228 said the evidence presented is that it does not, and so he must vote no. He thanked everyone for the
229 opportunity to discuss this and allow for his comments.

230 THE CHAIR asked for any further discussion prior to passage.

231 THE CHAIR said that he was contacted by residents when the property was still in the hands of the
232 School board, who he contacted and made a request to postpone the vote to allow for the residents of the
233 City of Fairview Park to speak on this issue. They did not delay their vote, and this is now private
234 property. He said he was not sure what a no vote was accomplishing, but said that was Councilman
235 McDonough's prerogative.

236 COUNCILMAN MCDONOUGH said that he appreciates the Council President contacting the Board of
237 Education to delay the vote. He agreed that it is now private property. He said that for all the folks that
238 believe in government—he thanked Kevin Kelley from WestLife who provided the audio from the town
239 halls in 2005 prior to the zoning vote. He said it was never to go to auction, but to be developed
240 collaboratively and to gather in accordance with the Master Plan. COUNCILMAN MCDONOUGH said
241 that it has been a learning experience for him, that he has had regrets before sitting on the dais and voting
242 for something that he thought was the right thing to do and he is not making that mistake again. He said
243 that he is true to his vote and he wouldn't have it any other way.

244 THE CHAIR asked for any further discussion prior to passage. No Discussion

245 ROLL ON PASSAGE: Vote: YES-3, NO-1 | Ordinance 16-04 passes.

246 YES: B. Minek, M. Kilbane, P. Cleary NO: B. McDonough

247

248 COUNCILWOMAN CLEARY placed the following legislation up for third reading and final passage:
249 ORDINANCE NO. 16-13
250 REQUESTED BY: MAYOR EILEEN ANN PATTON
251 SPONSORED BY: COUNCILWOMAN CLEARY & COUNCILMAN MCDONOUGH
252 CO-SPONSORED BY: COUNCILMAN MINEK
253 *AN ORDINANCE AUTHORIZING THE MAYOR TO ENTER INTO AN ECONOMIC INCENTIVE GRANT*
254 *AGREEMENT WITH THE HOSPICE OF THE WESTERN RESERVE, INC. AND DECLARING AN*
255 *EMERGENCY.*

256 THE CHAIR asked for any discussion.
257 MAYOR PATTON thanked City Council for their consideration and passage of the Incentive Grant for
258 the Hospice of the Western Reserve. We are happy to welcome 120 new employees that will call
259 Fairview Park their home. It has been a pleasure working with the organization over the past months. She
260 thanked Law Director McGinty for his expertise in drawing up ordinances and agreement and the
261 participation from City Council.
262 THE CHAIR asked for any further discussion prior to passage.
263 THE CHAIR thanked the Mayor, Director McGinty and the rest of the Administration for the effort in
264 bringing this together, and also with the current work being done over at NASA.
265 ROLL ON PASSAGE: Vote: YES-4, NO-0 | Ordinance 16-13 passes.
266 YES: B. McDonough, B. Minek, M. Kilbane, P. Cleary

267
268 **LEGISLATION ON FOR PASSAGE WITHOUT THREE READINGS**

269 COUNCILWOMAN CLEARY placed a resolution up for emergency passage.

270 ORDINANCE NO. 16-17

271 REQUESTED BY: MAYOR EILEEN ANN PATTON

272 SPONSORED BY: COUNCILWOMAN CLEARY

273 *AN ORDINANCE AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT WITH LEBANON*
274 *FORD FOR THE PURCHASE OF ONE (1) 2016 FORD EXPLORER 4WD, 4-DOOR AUTOMOBILE*
275 *AND DECLARING AN EMERGENCY*

276 COUNCILWOMAN CLEARY made a motion to suspend the Charter Provision and Rule 49 requiring
277 three readings.

278 The motion failed due to lack of a second.

279 THE CHAIR explained that the lack of the send was purposely done, as there are not enough members
280 present for required emergency passage of the legislation. This legislation will be presented again for
281 emergency passage at a special meeting next week.

282

283 **REPORTS AND COMMUNICATION FROM THE MAYOR, DIRECTORS, AND OTHER CITY**
284 **OFFICIALS**

285 MAYOR PATTON reported that there is a lot going on for the month of June and that school is out so
286 drive safely. The first yoga session at Bain Park will be this Sunday at 9 a.m. The Firs Department will
287 be hosting a heart safety seminar June 8 at 6 p.m. at the Gemini Center. Thursday, June 9 there will be a
288 Cuyahoga Planning Commission Meeting. Saturday, June 11 the Fairview Park Auxiliary Police will be
289 having a fundraiser at the Legion Hall on Brookpark Road. Tuesday, June 14 at 11 a.m. the Funsters at
290 the Senior Center will be having a Stars and Dreams Concert. The Planning and Design Commission will
291 meet on Wednesday, June 15. The Senior Center will be hosting a fashion show on June 22. The Grand
292 Opening of Common Threads will be on June 24. The Recreation Department will kick off movie night
293 that evening at 9:30 p.m. as well as Touch-a-Truck. She asked everyone to mark their calendars for the
294 Fire Department's Open House in the morning and Food Truck Festival on August 6.

295

296 DIRECTOR LEININGER said that he wanted to give a few updates on projects: Brewer Garret was hired
297 to begin the upgrades to HVAC controllers in City Hall and that working on June 20. This will give some
298 control on certain areas. The Street Repair Program will begin this week and notices have been delivered
299 to residents who will be affected by that work, which include Angela Drive, West Park Drive, West
300 224th Street at the Mastick Road intersection, Rivercliff Drive, and the entry to Bohlken Park from West
301 210th Street. This work is expected to be completed by August 15. The Safe Routes to School
302 Infrastructure Improvement program will begin in July at multiple sites around the city. There are various
303 site projects in this grant, but the main two components are improvement to the traffic signal at Campus
304 Drive and West 210th Street, and extending the median at Fairview Parkway and putting in pedestrian
305 signals to help people cross the intersection. Work is expected to be completed by the beginning the
306 school year. DIRECTOR LEININGER said that he was able to attend a luncheon sponsored by Greater

307 Cleveland Partnership with other municipal economic leaders. There are a lot of great things happening
308 in the region and he is working to figure out how we can bring some of these things to Fairview Park. He
309 also met with the Forward Fairview Park group and offered the city's assistance as a resource to them.

310
311 DIRECTOR CINGLE reported that the city's audit continues through the end of the month, and he will
312 keep everyone updated on any outcomes over the next few weeks.

313
314 DIRECTOR MCGINTY congratulated President Kilbane on his recent nuptials. He congratulated and
315 thanked Chief Raffin on his presentation a couple weeks ago. He said that the next issue of the Thomas
316 Lane subdivision now that it is passed is to join the community, rather than tear it apart. DIRECTOR
317 MCGINTY said that he will be working this week on upcoming legislation for council consideration.

318
319 ENGINEER KERBER reported that the 2015 Water Line contractor, Fabrizi Trucking and Paving,
320 continues to work on West 229th Street and West 214th Street installing water mains and new
321 connections. This work should be done by Labor Day. Bids for the 2016 Water Line Projects were
322 opened on June 3 for parts of Seabury, Cromwell and West 212th Street. The bids are currently being
323 reviewed and will provide a recommendation to the Board of Control once that is completed.

324
325 **PUBLIC SESSION**
326 MR. PENN BERENS – 21480 Hillsdale Avenue – MR. BERENS said is a member of the Shade Tree
327 Advisory Committee, which was reactivated earlier this year. He thanked the city for reviving the
328 committee and earning the Tree City Award for the 25th year. He said that an Oak tree received from this
329 recognition was planted in Bain Park. MR. BERNES said that the Committee has begun to review the
330 street tree inventory and management plan that was left from 2009 to see how it can be enhanced. He is
331 grateful to be able to attend Tree Commission Academy, which is provided by the Ohio Department of
332 Natural Resources.

333
334 **MISCELLANEOUS BUSINESS AND COMMENTS BY MEMBERS OF COUNCIL**
335 COUNCILMAN MCDONOUGH thanked everyone that was involved with the Memorial Day Ceremony
336 and parade. He advised of a transformer that blew and the work done by the fire department and The
337 Illuminating Company to replace it. He lost air conditioning as a result of the transformer issue, but
338 Fairview Heating and Cooling for service who fixed this. He encouraged anyone who has an issue with
339 their heating or cooling to call them for service.

340
341 COUNCILMAN MINEK said, Thank You, I would like to share something which happened Friday
342 night. At approximately 7:30 p.m. I had received two telephone calls from Mr. Tunnell 21490 Westwood
343 and Mr. Allen 4061 W. 215 St. complaining of noise from motorists driving over a steel plate covering an
344 excavation in the eastbound lane of Westwood Road, East of W. 215 St. I went to the area and was met
345 by Mr. Tunnell & Mr. Allen who stated the Cleveland Water Department had been working at the
346 location for eight days replacing a water line valve. Water Department finished today, back filled the
347 excavation and placed the steel plate. Motorists started driving over the plate causing excessive noise
348 and the plate shifted. Mr. Tunnell telephoned the Water Department spoke to a female, informed her of
349 the dangerous condition and the female responded that the Water Department is not responsible after 24
350 hours. Mr. Tunnel stated they just left at which time the female hung up the telephone. I contacted our
351 Police Department and requested Lieutenant Wilson contact our Service Department Foreman, Water
352 Department personnel and a police unit if available for traffic control. Officer Franks and Auxiliary
353 Officer Ziegler responded and began traffic control. Foreman Kevin Bridegum arrived, viewed the
354 problem and stated he would make the necessary telephone calls. A short time later C.J. from Fabrizi
355 Construction, the contractor replacing the main water line on W. 214 St. from Lorain Road to Westwood
356 Road arrived and under no obligation to assist us stated he would go to their construction site get their
357 front end loader, remove the steel plate, clean the area and put down cold patch. C.J. did a tremendous

358 favor to our city by his assistance. I would like to thank residents Mr. Tunnell & Mr. Allen, Officers
359 Lieutenant Wilson, Patrolman. Franks Auxiliary Officer Ziegler, Service Foreman Bridegum and C.J.
360 from Fabrizi Construction. Once again individuals working together solved what could have been a
361 serious issue. COUNCILMAN MINEK read an email from a resident thanking everyone involved for
362 their prompt service to fix the problem.
363

364 COUNCILWOMAN CLEARY thanked everyone for organizing the Memorial Day service and those that
365 were in attendance.

CITY OF FAIRVIEW PARK
ORDINANCE NO. 16-16 AMENDED (*proposed amendments for passage*)
REQUESTED BY: MAYOR EILEEN ANN PATTON
SPONSORED BY: COUNCILMAN MINEK

AN ORDINANCE AMENDING PORTIONS OF CHAPTER 1129 OF THE OFFICE BUILDING DISTRICTS TO PERMIT MIXED USE DEVELOPMENTS, WITH THE REGULATIONS RELATING THERETO, IN THE OFFICE BUILDING “3” ZONING DISTRICT.

WHEREAS, the City zoning regulations concerning OFFICE BUILDING “3” Zoning District (hereafter referred to as OFFICE “3”) are not presently constituted to allow a mixed use component that would enhance the property use to the benefit of the residents;

WHEREAS, residents and developers have made inquiry as to the ability of the City to create a framework that would provide a developer with the option of planning a project that mixes office, retail and multi-family residential living in a single zoning district;

WHEREAS, the City’s master plan, the City Council and the Mayor support the vision of Mixed Use Developments in the OFFICE “3” District;

WHEREAS, the redevelopment of focus areas identified by the master plan task force as key areas for potential changes in land use, could provide the city with a significant boost in income and property tax revenue as well as providing important retail office and housing opportunities in the years to come;

WHEREAS, after consulting with zoning experts from CT Consultants, it has been determined to focus on creating a zoning district that will enhance the quality of the residents’ living, encourage further economic development and provide additional income and property taxes to the City and schools;

WHEREAS, the attached Exhibit “A” includes the **final** proposed amendments to Office “3.” (*Note: The attached foundation and Outline would be replaced with the final text of the proposed amendments upon review and recommendation by the Planning and Design Commission.*)

WHEREAS, Article IV, Section 16(b) of the City Charter states: (b) An ordinance, resolution, or other action, whether legislative or administrative in nature, effecting change in the uses permitted in any zoning use classification or district of the City of Fairview Park, Ohio, shall not become effective after the passage thereof, until Council submits such ordinance, resolution or other action to the electorate at a regularly scheduled election in November or a primary election in May occurring more than sixty (60) days after the passage of the ordinance, resolution or other action and such ordinance, resolution or other action is approved by a majority of the electors voting thereon, in this Municipality and in each ward in which the change is applicable to property in the ward.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FAIRVIEW PARK, CUYAHOGA COUNTY, AND STATE OF OHIO:

SECTION 1. That the amendments to the OFFICE “3” are found to be consistent with the principles of the mission, charter and ordinances of the City;

SECTION 2: That Chapter 1129 relating to OFFICE “3” be amended, by incorporating the Mixed Use Development Regulations provided in Exhibit “A”, attached hereto and incorporated herein as if fully rewritten, subject to the amendments being approved by the voters pursuant to Section 16(b) of the City Charter.

SECTION 3: It is found in determined that all formal actions of this Council concerning relating to the adoption of this ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements.

SECTION 4: ~~This Ordinance shall take effect and be enforced from and after the earliest period allowed by law.~~ **That this Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of public peace, health, safety and welfare; and for the further reason that it must meet an election filing deadline, and provided it receives the affirmative vote of a majority plus one of the members of Council, it shall take effect and be enforced immediately upon its passage and approval by the Mayor, otherwise from and after the earliest period allowed by law.**

- (a) Such facilities shall be provided on the same lot or on an adjoining lot under the same ownership whenever:
 - (1) A building is constructed;
 - (2) An existing building is altered, resulting in an increase in measurement capacity.
- (b) Required off-street parking facilities, including access driveways, accessory to an existing use, and those required as accessory to a use created or a building constructed or altered hereafter, shall be continued and maintained in operation and shall not be reduced below the requirements during the period that the main use is maintained. Failure by the owner or owners to supply such off-street parking shall cause the Building Commissioner to revoke the occupancy of a sufficient number of the units in order to bring the facility into conformity with parking requirements. Accessory off-street parking facilities shall not be used for the rebuilding, overhauling or dismantling of any vehicle as defined in Section [301.51](#) or for the storage of motor or body parts or for minor repair services on any vehicle.
- (c) Required parking spaces may be either enclosed, underground or open.

1129.15 MEASUREMENT STANDARDS.

- (a) "Accessory parking space" means an open or enclosed area (garage) directly accessible from a public street for parking of motor vehicles of owners, occupants, employees, customers or tenants of the main building or use. Each space shall be directly accessible from a drive or aisle, and shall have a minimum rectangular dimension of not less than nine feet in width and eighteen feet in length for ninety degree parking; nine feet in width and twenty-two feet in length for parallel parking; ten feet in width and eighteen feet in length for sixty degree parking and twelve feet in width and eighteen feet in length for forty-five degree parking, exclusive of all drives, aisles, ramps and other circulation areas, and determined from an accurate plan of the area.
- (b) "Floor area" means the total area of all the floors of the building measured from the exterior faces of the building. Basement areas or other floors or parts thereof designed, arranged or used exclusively for storage or similar uses may be excluded from the floor area if the areas or floors or parts thereof are not open to the public. Such areas as stairs, hallways, restrooms, equipment or furnace rooms, elevator shafts, etc. shall be excluded.
- (c) When the computation results in a fractional unit, one additional space shall be provided.

1129.16 SCHEDULE.

For other than medical and dental offices and clinics, one off-street parking space per each 150 square feet of floor area of 6,000 square feet or less; forty off-street parking spaces plus one space per each 200 square feet of floor area over 6,000 square feet. For medical and dental offices and clinics, one off-street parking space shall be provided per each 100 square feet of floor area to 10,000 square feet and one space per each 200 square feet of floor area over 10,000 square feet.

1129.17 ACCESSWAYS TO PARKING AREAS.

The location and width of entrance and exit driveways to parking facilities shall be planned so as to interfere as little as possible with the use of nearby property and with pedestrian and vehicular traffic on the adjacent streets.

- (a) Whenever possible, the center line of the access driveways on the frontage streets shall be at least forty feet from the right-of-way line of the nearest intersecting street and be spaced at not less than 120-foot intervals, measured from the center line of the driveways.
- (b) Parking areas shall be designed so that vehicles can be driven forward into the street. Those of fifteen spaces or less shall have at least one single-lane or one two-lane driveway; those of sixteen spaces or more shall have at least two single-lane, or one two-lane driveway. Each entrance to, or exit from, a parking area of sixteen spaces or more shall be limited to two lanes.
- (c) The widths of driveways, measured at the setback line, shall conform to the following schedule. At no point where adjoining a public sidewalk shall the maximum widths be exceeded.

Lanes	Minimum feet	Maximum feet
One	10	12
Two	18	24

- (d) The angle of intersection between the driveway and the street shall be between sixty degrees and ninety degrees. The radius at the edge from the apron shall be at least twelve feet, twenty feet recommended, so that a motor vehicle entering or leaving may not obstruct vehicles in other traffic lanes in the driveway or in the curb lane of the street.

1129.18 SURFACE IMPROVEMENTS OF PARKING AREAS.

- (a) Proposed and existing parking areas and access driveways shall be improved with asphalt concrete or Portland cement concrete or other impervious surface and shall be so graded and drained into proper inlets so that all water is drained within the lot on which the parking area or driveway is located in such manner that water shall not drain across other public or private property.
- (b) Parking areas shall be so arranged and marked as to provide for orderly and safe parking and storage of vehicles in accordance with the design standards in this chapter, and shall be improved, except at entrances and exits with guardrails, curbs or other devices to define parking spaces or limits of paved areas, so as to prevent encroachment of vehicles into adjacent areas or public ways, yards or setbacks required by the Zoning Code, and so as to regulate the flow of traffic within the lot.
- (c) The Planning and Design Commission may require landscape buffering or landscape screening to be provided on the parking area property to insulate the parking areas and driveways from a side or rear lot line of other property in Residential Districts or any other Zoning District with an existing residence thereon. Landscape buffering may include, but shall not be limited to, evergreen trees and bushes, compact hedges, shrubs, earth berms or a combination thereof. Landscape screening shall include plant material or other nonliving durable material, including, but not limited to, walls, berms or substantially solid decorative wood fencing. Where trees and shrubs are used to provide a landscape buffer, such shall provide a year-round state of being substantially impervious to rays of light. It shall be acceptable to incorporate fencing as part of the landscape buffer where noise and lights create a need that such landscape buffer include fencing. Fencing may also be used to provide landscape screening. Whenever used, fences shall be of a decorative style and type. Walls and berms shall be used only in the most unusual cases.

The desired buffering or screening effect shall be achieved not later than twelve months after the initial installation. The Planning and Design Commission may extend this twelve

month period of time when a hardship would be created because of expected growth or material shortages, but such extension shall not be for more than two years from the time the initial installation was to have been or has been installed. All buffering and screening requirements imposed under the provisions of this subsection shall be installed and constructed before a certificate of occupancy is issued for a new building or structure. No existing building, structure or vehicular use area adjoining a Residential District or any other zoning district with an existing residence thereon shall be expanded, altered or modified until the plans are submitted by the opener or developer to the Planning and Design Commission for its determination as to whether the change adversely affects any properties in a Residential District or any other zoning district with an existing residence thereon. The Commission, after its review, shall require, where necessary, the establishment of a landscape buffering area or the installation of landscape screening, or a revision of a previously established buffered area or screening. The width and height of the landscape buffer or landscape screening shall be determined by the Planning and Design Commission provided, however, that the maximum height of fencing, whether incorporated as part of the landscape buffer or whether used as a landscape screen, which may be permitted shall be seven feet above finished grade. The owner, tenant and developer shall be responsible for the maintenance and replacement, if necessary, of the landscape buffer or landscape screening.

Owners or developers of off-street parking areas shall be required to include a plan for buffering or screening the parking areas and driveways, including a detailed description and sketch of the landscape buffer or landscape screening which visually and verbally outlines the nature and the effect of the proposed landscape buffer or landscape screening. A certificate of occupancy shall not be granted until the buffering or screening requirements have been completed. If completion, in the case of living materials, is delayed because of the growing season, a temporary permit to occupy may be granted by the Building Commissioner. Such delay shall not extend beyond the next growing season following the date upon which the certificate of occupancy is requested.

(Ord. 95-69. Passed 10-16-95.)

- (d) In order to carry out the objectives of this Zoning Code and to preserve the use and enjoyment of adjoining property not less than five percent (5%) of an off-street parking area of a lot with twenty or more off-street accessory parking spaces shall have landscaping islands to break up the expanse of pavement. Each landscaping island shall not be less in size than the required area of one off-street parking space, shall be interspersed throughout the entire off-street parking area and shall have trees and such other landscaping as may be required by the Planning and Design Commission. Areas of landscaping surrounded by at least three sides by accessory off-street parking areas or accessories to parking areas may be considered a landscaped island.

1129.19 APPROVAL OF PARKING FACILITIES.

Detailed drawings of off-street parking facilities shall be submitted to the Planning and Design Commission for review and approval in accordance with all the provisions of this chapter before a building permit or certificate of occupancy may be issued. Such drawings shall show the number of spaces and locations, dimensions and descriptions of all features as set forth in this chapter.

1129.20 ILLUMINATION OF PARKING FACILITIES.

Areas used to provide required off-street parking, and access ways thereto shall be illuminated whenever deemed necessary by the Planning and Design Commission to protect the public safety. The illumination of parking areas in office building districts shall be reduced in intensity after the close of business of the main use or uses. Lighting fixtures shall be so designed and located so as not to reflect direct

rays of light upon adjoining residential properties and streets or cause a glare hazardous to pedestrians or drivers of motor vehicles on adjacent public streets, and shall be subject to the approval of the Commission.

1129.21 APPLICATION AND DESIGN OF PARKING AREAS.

- (a) Application for Providing Facilities. An application for a building permit pertaining to constructing a building or parking facility or for a certificate of occupancy for a change in use of land or a building shall include a site plan drawn to scale and fully dimensioned, showing the proposed design of the parking area to be provided in accordance with the space requirement schedules that are a part of this Zoning Code.
- (b) Determination of Required Parking Facilities. The minimum number of spaces required for accessory off-street parking shall be determined by applying the measurement standards in Section [1129.15](#), the standards for designing parking areas in subsection (c) hereof, the schedule of accessory parking requirements for the various uses in Section [1129.16](#) and any other applicable provisions of this Zoning Code.
The Planning and Design Commission may modify the parking requirements of Section [1129.16](#) under such terms and conditions as it determines will protect the public interest where it finds based upon the factual evidence presented that due to the nature of the particular use such requirements will not be adequate to provide sufficient parking or where the strict application of the requirements will result in an excessive amount of parking related to the particular use.
- (c) Design Standards. The plan of the parking spaces of a parking area included with an application to construct a building or parking area, or change in use, shall be designed, dimensioned and the number of spaces determined in accordance with the standards for designing parking areas as may be adopted by the Commission and which is part of this Zoning Code. Design standards for enclosed parking areas and garages, shall be in accordance with other provisions of this Zoning Code.
- (d) Handicapped parking spaces shall be provided in accordance with the provisions of the Ohio Basic Building Code.

1129.22 REQUIRED TRASH AREAS.

All office building uses that provide trash and/or garbage collection areas shall be enclosed on at least three sides by a solid wall or fence of at least four feet in height if such area is not within an enclosed building or structure. Provisions for adequate vehicular access to and from such area or areas for collection of trash and/or garbage as determined by the Planning and Design Commission shall be required.

1129.23 APPROVAL OF CITY ENGINEER REQUIRED.

The City Engineer shall make a survey of the public sanitary and storm sewers to be affected by the proposed building or use set forth in the application for a building permit and shall forward his approval to the Building Commissioner prior to the issuance of a building permit.

1129.25 DEVELOPMENT STANDARDS AND CRITERIA FOR MIXED-USE DEVELOPMENTS

- (a) Purposes: The purposes of Mixed-Use Development are to:

- (1) Encourage a mixture of complementary land uses that includes residential, retail, offices, lodging, theaters and other places of assembly to create economic vitality all in the same location.
- (2) Encourage skillful planning by allowing flexibility in the type and placement of buildings while promoting coordinated architectural design within a unified development area
- (3) Provide flexibility in the siting and design of the development and subsequent redevelopment to anticipate changes in the marketplace.
- (4) Utilize design criteria for the new developments that are aesthetically pleasing and foster pedestrian movement among the facilities in the development and to and from the adjacent areas to the extent practicable.

(b) Use Parameters:

- (1) In a **Mixed-Use Development** the following uses are permitted in addition to the permitted Office Uses listed in section 1129.02 “Schedule of Permitted Buildings and Uses:”
 - A. **Retail Uses** when in completely enclosed buildings and shall include the retail sales of goods and personal services such as beauty and barber shop, banks and savings and loan, travel agency and other similar uses, Permitted retail explicitly excludes automotive services such as, but not limited to, new and used car dealerships, tire sales, vehicle maintenance and repair services, auto or truck wash, gasoline service stations and similar automotive services as determined by the Planning and Design Commission.
 - ~~B. **Hotels/motels and similar transient lodging facilities.**~~
 - C. **Restaurants** which may include outdoor dining as approved by the Planning and Design Commission.
 - D. Residential including: **Multiple Family development, Senior Citizen Housing, Congregate Housing** for Independent and/or Assisted Living, and **Nursing Care.**
 - E. **Assembly Facilities** which are limited to conference center, Meeting Halls, theaters and similar places of assembly.
- (2) Retail (Subsection (1)A, above) and Assembly Facilities (Subsection (1)E, above), combined, shall not comprise more than thirty (30 %) percent of the total floor area – including both existing and new floor area.
- (3) Residential shall not comprise more than seventy (70%) of the total floor area – including both existing and new floor area. The minimum size of the dwelling units shall be: 1-bedroom 550 sq. ft.; 2-bedroom 750 sq. ft.; and 3-bedroom 900 sq. ft.).

- (4) The retail and residential percentage limitations, above, do not include ancillary or accessory uses such as dining areas, fitness centers, conference facilities, or similar activity areas when determined by the Planning and Design Commission to be provided primarily for the residents and/or guests at the hotel.
- (c) **The Project Size** shall be a minimum of eight (8) acres to be eligible for a Mixed-Use Development.
- (d) **Setbacks, Coverage, Height, etc.** shall comply with Sections 1129.05 through 1129.08.
- (e) **Off-Street Parking** shall be developed in compliance with Sections 1129.14 through 1129.21 except as modified herein:
- (1) The number of parking spaces required in a Mixed-Use Development shall be as a minimum:
- A. Offices (non-medical) – **1 space per 300 square feet** of floor area.
 - B. Medical offices, dental offices and clinics – **1 space per 200 square feet** of floor area.
 - C. Hotels/Lodging - .85 spaces per room.
 - D. Retail – **1 space per 250 square feet** of floor area.
 - E. Residential – Attached Single Family Homes – 2 enclosed spaces per dwelling unit; Apartments - one and one-half (1.5) spaces per dwelling unit; Senior Apartments – one and one-quarter (1.25) spaces per dwelling unit; Assisted Living – one-half (.5) of a parking space per bed and Nursing Care.
 - F. Restaurants – **1 space for 75 square feet** of floor area.
 - G. Assembly Facilities – **1 space for every 3 seats** of capacity.
- (2) The minimum width of a parking space shall be nine (9) feet for angled parking and eight (8) feet for parallel parking when permitted on a designated public or private street or driveway.
- (3) Shared Parking: Notwithstanding the requirements set forth in this Section, in a Mixed-Use Development, the Planning and Design Commission may approve a lesser amount of parking than the total spaces required taking into consideration: the hours of operation of uses; the overlap in parking demand

by different adjacent uses; and the operating characteristics of the specific uses proposed.

(4) For any off-street parking that is located on adjacent land which is not part of the development site (because such land, for example, is not owned by the applicant or the land is in another municipal jurisdiction such as the City of Cleveland) and such land is needed to satisfy the parking requirements of Fairview Park, the applicant shall provide the City of Fairview Park, with the development plan application, sufficient binding documentation and legal instruments, acceptable to the Law Director, that the parking is sufficiently secured to meet the parking requirements for the proposed mixed-use development.

(f) **Signs:** Signs in a Mixed-Use Development shall comply with the requirements of Chapter 1145 except that:

(1) Wall signs for each building or tenant unit (Section 1145.15 (c)(1);

(2) Canopy signs (Section 1145.15 (c)(3), and

(3) Monument signs (Section 1145.15 (c)(6)

will not be confined to the above size and height limitations of Chapter 1145 if the Planning and Design Commission determines - because of the location of the proposed development, the large size of the buildings, the overall scale of the development, and/or the location of the proposed signs relative to the adjacent street – that such larger and higher signs are compatible with the scale of the development, are appropriate to meet the needs of the businesses, and are consistent with the intent and purposes of this Section 1129.25.

(g) **Review Procedures for Mixed-Use Developments:** Development plan review is required for a Mixed-Use Development in accordance with the procedures in Section 1149.05. When reviewing the development plan the Planning and Design Commission shall consider, in addition to the criteria in Sections 1149.05 and 1149.10, and the specific intent of a Mixed-Use Development as set forth in Sub-section 1129.25 (a), above.

CITY OF FAIRVIEW PARK
RESOLUTION NO. 16-09 AMENDED *(amendments from 06.13.16 committee meeting)*
REQUESTED BY: MAYOR EILEEN ANN PATTON

CITY OF FAIRVIEW PARK
ORDINANCE NO. 16-16 AMENDED (*proposed amendments for passage*)
REQUESTED BY: MAYOR EILEEN ANN PATTON
SPONSORED BY: COUNCILMAN MINEK

AN ORDINANCE AMENDING PORTIONS OF CHAPTER 1129 OF THE OFFICE BUILDING DISTRICTS TO PERMIT MIXED USE DEVELOPMENTS, WITH THE REGULATIONS RELATING THERETO, IN THE OFFICE BUILDING “3” ZONING DISTRICT.

WHEREAS, the City zoning regulations concerning OFFICE BUILDING “3” Zoning District (hereafter referred to as OFFICE “3”) are not presently constituted to allow a mixed use component that would enhance the property use to the benefit of the residents;

WHEREAS, residents and developers have made inquiry as to the ability of the City to create a framework that would provide a developer with the option of planning a project that mixes office, retail and multi-family residential living in a single zoning district;

WHEREAS, the City’s master plan, the City Council and the Mayor support the vision of Mixed Use Developments in the OFFICE “3” District;

WHEREAS, the redevelopment of focus areas identified by the master plan task force as key areas for potential changes in land use, could provide the city with a significant boost in income and property tax revenue as well as providing important retail office and housing opportunities in the years to come;

WHEREAS, after consulting with zoning experts from CT Consultants, it has been determined to focus on creating a zoning district that will enhance the quality of the residents’ living, encourage further economic development and provide additional income and property taxes to the City and schools;

WHEREAS, the attached Exhibit “A” includes the **final** proposed amendments to Office “3.” (*Note: The attached foundation and Outline would be replaced with the final text of the proposed amendments upon review and recommendation by the Planning and Design Commission.*)

WHEREAS, Article IV, Section 16(b) of the City Charter states: (b) An ordinance, resolution, or other action, whether legislative or administrative in nature, effecting change in the uses permitted in any zoning use classification or district of the City of Fairview Park, Ohio, shall not become effective after the passage thereof, until Council submits such ordinance, resolution or other action to the electorate at a regularly scheduled election in November or a primary election in May occurring more than sixty (60) days after the passage of the ordinance, resolution or other action and such ordinance, resolution or other action is approved by a majority of the electors voting thereon, in this Municipality and in each ward in which the change is applicable to property in the ward.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FAIRVIEW PARK, CUYAHOGA COUNTY, AND STATE OF OHIO:

SECTION 1. That the amendments to the OFFICE “3” are found to be consistent with the principles of the mission, charter and ordinances of the City;

SECTION 2: That Chapter 1129 relating to OFFICE “3” be amended, by incorporating the Mixed Use Development Regulations provided in Exhibit “A”, attached hereto and incorporated herein as if fully rewritten, subject to the amendments being approved by the voters pursuant to Section 16(b) of the City Charter.

SECTION 3: It is found in determined that all formal actions of this Council concerning relating to the adoption of this ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements.

SECTION 4: ~~This Ordinance shall take effect and be enforced from and after the earliest period allowed by law.~~ **That this Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of public peace, health, safety and welfare; and for the further reason that it must meet an election filing deadline, and provided it receives the affirmative vote of a majority plus one of the members of Council, it shall take effect and be enforced immediately upon its passage and approval by the Mayor, otherwise from and after the earliest period allowed by law.**

Maximum area covered by main buildings	Thirty percent (30%)
Maximum area covered by all buildings and all accessory buildings and structures on or above grade	Forty percent (40%)
<u>Minimum "Green Space Area"</u> ^(*)	<u>Twenty-Five percent (25%)</u>

~~*The minimum outdoor livable area "Green Space Area", which is equal to gross land area minus ground area of buildings, driveways and parking areas, including such areas which are enclosed on or above grade parking garage areas and/or structures, shall not be less than twenty five percent (25%) of the gross land area. The Minimum Green Space Area Outdoor livable area is land area planted with grass, ground cover, landscape material, trees, natural vegetation or land area for recreation uses, structures and facilities. A lesser Green Space Area percentage may be considered by the Planning and Design Commission for a Mixed-Use Development when the Planning and Design Commission determines that such lower percentage is appropriate and necessary to achieve the objectives of Section 1129.25.~~

1129.06 YARD REGULATIONS.

(a) For every main or accessory building or use, the following yards shall be provided:

	Front (Feet)	Side (Feet)	Rear (Feet)
(1) For every main or accessory building in Office Building "1", "2", and Office Building "3"	30	10	10
(2) For every main or accessory building In Office Building - "1" Office Building - "2", Office Building "3" adjacent to a Residential District as enumerated in Section <u>1109.01</u>	N/A	40*	10

(33)	<u>For every main or accessory building in an Office Building “3” adjacent to a public park or dedicated open space</u>	<u>NA</u>	<u>10</u>	<u>10</u>

(45)	Accessory open off-street parking adjacent to a Residential District as enumerated in Section 1109.01	N/A	15*	15*

*Landscape buffering and/or landscape screening shall be provided as required by subsection (c) hereof.

The specific setback requirement as set forth herein as is specifically applicable to a specific wall of a main or accessory building shall be increased one foot for each one foot the highest point of the roof of such wall of the building exceeds twelve feet in height above grade.

- (b) A curb or other barrier shall be erected on the line marking required yards pertaining to off-street parking. The remaining yard shall be landscaped and attractively maintained.
- (c) The Planning and Design Commission may require landscape buffering or landscape screening in accordance with Section [1149.05](#) along a side or rear lot line provided that any wall or any fencing whether incorporated as part of a landscaped buffer or whether used as a landscape screen along the side lot of the front yard of an adjacent Residential District or any other zoning district with an existing residence thereon shall not be constructed, erected or installed closer than twenty feet from the right-of-way line. Except as otherwise specifically permitted or as specifically required by the provisions of this chapter, trees and shrubs, yard structures and other landscape features shall not be constructed, erected or installed closer than twenty feet from the right-of-way line.
- (d) Direct broadcast satellite receiving stations shall be located only in rear yards subject to the provisions and requirements of Section [1117.17](#) or on the roof of a main or accessory building subject to the provisions and requirements of Section [1129.08](#).

1129.07 PROJECTIONS INTO YARDS.

No portion of a building, such as fire escapes or balconies, may project into a required front yard except signs as permitted in Section [1129.11](#).

1129.08 HEIGHT REGULATIONS.

- (a) The height of any main or accessory building in Office Building Districts "1" shall not exceed twenty-five feet. The height of any main or accessory building in Office Building District - "2" shall not exceed fifty feet. The height of any main or accessory building in Office Building District - "3" shall not exceed seventy-five feet.

In any Office Building District stacks, water tanks, elevator penthouses, bulkheads, skylights, ventilators, air conditioning and temperature control equipment, other mechanical appurtenances relating to the operation of the main or accessory building itself and penthouse enclosures for mechanical appurtenances erected upon or constituted as an integral part of the main or accessory building itself and not used for human occupancy may be erected to a height not to exceed fifteen feet above the finished roof line of the building.

Wireless, broadcasting, receiving and transmitting towers, radio and television antennae (except as provided in subsection (b) hereof), chimneys, flag poles and other like structures may be erected above the applicable height limit specified in subsection (a) hereof, subject to the following constraints:

- (1) The height from the base of such structure, or the uppermost point at which such structure is attached to the main or accessory building, to the top of such structure

shall not be greater than the horizontal distance from the base of such structure to the nearest adjoining property line.

- (2) A variance approved by the Board of Zoning and Building Appeals shall be required for any such structure over thirty-five feet in height if detached from or not attached to the main building, or over fifteen feet in height above the uppermost point of attachment to the main building.

No wireless, broadcasting, receiving and transmitting tower and no radio or television antennae shall be erected in a front yard. Any wireless, broadcasting, receiving and transmitting tower and any radio or television antennae may be erected only in a side yard or in a rear yard in accordance with the provisions of this section.

Wireless, broadcasting, receiving and transmitting towers, radio and television antennae, chimneys, flag poles and other like structures shall be designed and constructed to withstand wind loads in accordance with ANSI (American National Standards Institute) A 58.1 Structural calculations and details for the installation shall be furnished to the Division of Building.

- (b) A direct broadcast satellite receiving station may be placed on the roof of a main or accessory building provided all of the following conditions are satisfied:
- (1) The receiving station is not linked or otherwise connected to receivers which are not located within the same premises as the antenna;
 - (2) The highest point of the satellite receiving dish shall not exceed three feet greater than the dimension of the dish above the plane upon which it is mounted which shall include the height of any base upon which the dish is mounted;
 - (3) The satellite receiving dish shall not exceed nine feet in dimension;
 - (4) The satellite receiving dish shall be constructed and anchored in such a manner as to withstand wind loads in accordance with ANSI (American National Standards Institute) A 58.1. Structural calculations, including calculations certifying to the capability of the roof to support the dish and the base, and details for the installation shall be furnished to the Division of Building;
 - (5) The satellite receiving dish shall be affixed in a permanent fashion such that it would only be removable for repair or replacement;
 - (6) The dish shall not be placed closer than twenty feet from any roof edge;
 - (7) Only one such station shall be permitted at any one time on the same building;
 - (8) No lettering, numerals, symbols, pictorial signs or designs exceeding one-half inch in any dimension shall be permitted on any surface.

1129.09 SIGN PURPOSE, TYPE AND NUMBER.

The signs permitted in Office Building Districts as to purpose, type and number shall be as regulated in Chapter [1145](#).

1129.10 SIGN AREA.

The area of signs shall be as regulated in Chapter [1145](#).

1129.11 SIGN LOCATION.

The location of signs shall be as regulated in Chapter [1145](#).

1129.12 SIGN ILLUMINATION.

Signs in Office Building Districts may be illuminated subject to the regulations of Chapter [1145](#).

1129.13 SIGNS; MISCELLANEOUS.

(EDITOR'S NOTE: This section was repealed by Ordinance 80-117, passed June 1, 1981. See Chapter [1145](#) for relevant provisions.)

1129.14 ACCESSORY PARKING FACILITIES REQUIRED.

Accessory off-street parking facilities, including access driveways, shall be determined in conformance with the standards set forth in this chapter.

- (a) Such facilities shall be provided on the same lot or on an adjoining lot under the same ownership whenever:
 - (1) A building is constructed;
 - (2) An existing building is altered, resulting in an increase in measurement capacity.
- (b) Required off-street parking facilities, including access driveways, accessory to an existing use, and those required as accessory to a use created or a building constructed or altered hereafter, shall be continued and maintained in operation and shall not be reduced below the requirements during the period that the main use is maintained. Failure by the owner or owners to supply such off-street parking shall cause the Building Commissioner to revoke the occupancy of a sufficient number of the units in order to bring the facility into conformity with parking requirements. Accessory off-street parking facilities shall not be used for the rebuilding, overhauling or dismantling of any vehicle as defined in Section [301.51](#) or for the storage of motor or body parts or for minor repair services on any vehicle.
- (c) Required parking spaces may be either enclosed, underground or open.

1129.15 MEASUREMENT STANDARDS.

- (a) "Accessory parking space" means an open or enclosed area (garage) directly accessible from a public street for parking of motor vehicles of owners, occupants, employees, customers or tenants of the main building or use. Each space shall be directly accessible from a drive or aisle, and shall have a minimum rectangular dimension of not less than nine feet in width and eighteen feet in length for ninety degree parking; nine feet in width and twenty-two feet in length for parallel parking; ten feet in width and eighteen feet in length for sixty degree parking and twelve feet in width and eighteen feet in length for forty-five degree parking, exclusive of all drives, aisles, ramps and other circulation areas, and determined from an accurate plan of the area.
- (b) "Floor area" means the total area of all the floors of the building measured from the exterior faces of the building. Basement areas or other floors or parts thereof designed, arranged or used exclusively for storage or similar uses may be excluded from the floor area if the areas or floors or parts thereof are not open to the public. Such areas as stairs, hallways, restrooms, equipment or furnace rooms, elevator shafts, etc. shall be excluded.
- (c) When the computation results in a fractional unit, one additional space shall be provided.

1129.16 SCHEDULE.

For other than medical and dental offices and clinics, one off-street parking space per each 150 square feet of floor area of 6,000 square feet or less; forty off-street parking spaces plus one space per each 200 square feet of floor area over 6,000 square feet. For medical and dental offices and clinics, one off-street parking space shall be provided per each 100 square feet of floor area to 10,000 square feet and one space per each 200 square feet of floor area over 10,000 square feet.

1129.17 ACCESSWAYS TO PARKING AREAS.

The location and width of entrance and exit driveways to parking facilities shall be planned so as to interfere as little as possible with the use of nearby property and with pedestrian and vehicular traffic on the adjacent streets.

- (a) Whenever possible, the center line of the access driveways on the frontage streets shall be at least forty feet from the right-of-way line of the nearest intersecting street and be spaced at not less than 120-foot intervals, measured from the center line of the driveways.
- (b) Parking areas shall be designed so that vehicles can be driven forward into the street. Those of fifteen spaces or less shall have at least one single-lane or one two-lane driveway; those of sixteen spaces or more shall have at least two single-lane, or one two-lane driveway. Each entrance to, or exit from, a parking area of sixteen spaces or more shall be limited to two lanes.
- (c) The widths of driveways, measured at the setback line, shall conform to the following schedule. At no point where adjoining a public sidewalk shall the maximum widths be exceeded.

Lanes	Minimum feet	Maximum feet
One	10	12
Two	18	24

- (d) The angle of intersection between the driveway and the street shall be between sixty degrees and ninety degrees. The radius at the edge from the apron shall be at least twelve feet, twenty feet recommended, so that a motor vehicle entering or leaving may not obstruct vehicles in other traffic lanes in the driveway or in the curb lane of the street.

1129.18 SURFACE IMPROVEMENTS OF PARKING AREAS.

- (a) Proposed and existing parking areas and access driveways shall be improved with asphalt concrete or Portland cement concrete or other impervious surface and shall be so graded and drained into proper inlets so that all water is drained within the lot on which the parking area or driveway is located in such manner that water shall not drain across other public or private property.
- (b) Parking areas shall be so arranged and marked as to provide for orderly and safe parking and storage of vehicles in accordance with the design standards in this chapter, and shall be improved, except at entrances and exits with guardrails, curbs or other devices to define parking spaces or limits of paved areas, so as to prevent encroachment of vehicles into adjacent areas or public ways, yards or setbacks required by the Zoning Code, and so as to regulate the flow of traffic within the lot.
- (c) The Planning and Design Commission may require landscape buffering or landscape screening to be provided on the parking area property to insulate the parking areas and driveways from a side or rear lot line of other property in Residential Districts or any other Zoning District with an existing residence thereon. Landscape buffering may include, but shall not be limited to, evergreen trees and bushes, compact hedges, shrubs, earth berms or a combination thereof. Landscape screening shall include plant material or other nonliving durable material, including, but not limited to, walls, berms or substantially solid decorative wood fencing. Where trees and shrubs are used to provide a landscape buffer, such shall provide a year-round state of being substantially impervious to rays of light. It shall be acceptable to incorporate fencing as part of the landscape buffer where noise and lights create a need that such landscape buffer include fencing. Fencing may also be used to provide landscape screening. Whenever used, fences shall be of a decorative style and type. Walls and berms shall be used only in the most unusual cases.
The desired buffering or screening effect shall be achieved not later than twelve months after the initial installation. The Planning and Design Commission may extend this twelve

month period of time when a hardship would be created because of expected growth or material shortages, but such extension shall not be for more than two years from the time the initial installation was to have been or has been installed. All buffering and screening requirements imposed under the provisions of this subsection shall be installed and constructed before a certificate of occupancy is issued for a new building or structure. No existing building, structure or vehicular use area adjoining a Residential District or any other zoning district with an existing residence thereon shall be expanded, altered or modified until the plans are submitted by the opener or developer to the Planning and Design Commission for its determination as to whether the change adversely affects any properties in a Residential District or any other zoning district with an existing residence thereon. The Commission, after its review, shall require, where necessary, the establishment of a landscape buffering area or the installation of landscape screening, or a revision of a previously established buffered area or screening. The width and height of the landscape buffer or landscape screening shall be determined by the Planning and Design Commission provided, however, that the maximum height of fencing, whether incorporated as part of the landscape buffer or whether used as a landscape screen, which may be permitted shall be seven feet above finished grade. The owner, tenant and developer shall be responsible for the maintenance and replacement, if necessary, of the landscape buffer or landscape screening.

Owners or developers of off-street parking areas shall be required to include a plan for buffering or screening the parking areas and driveways, including a detailed description and sketch of the landscape buffer or landscape screening which visually and verbally outlines the nature and the effect of the proposed landscape buffer or landscape screening. A certificate of occupancy shall not be granted until the buffering or screening requirements have been completed. If completion, in the case of living materials, is delayed because of the growing season, a temporary permit to occupy may be granted by the Building Commissioner. Such delay shall not extend beyond the next growing season following the date upon which the certificate of occupancy is requested.

(Ord. 95-69. Passed 10-16-95.)

- (d) In order to carry out the objectives of this Zoning Code and to preserve the use and enjoyment of adjoining property not less than five percent (5%) of an off-street parking area of a lot with twenty or more off-street accessory parking spaces shall have landscaping islands to break up the expanse of pavement. Each landscaping island shall not be less in size than the required area of one off-street parking space, shall be interspersed throughout the entire off-street parking area and shall have trees and such other landscaping as may be required by the Planning and Design Commission. Areas of landscaping surrounded by at least three sides by accessory off-street parking areas or accessories to parking areas may be considered a landscaped island.

1129.19 APPROVAL OF PARKING FACILITIES.

Detailed drawings of off-street parking facilities shall be submitted to the Planning and Design Commission for review and approval in accordance with all the provisions of this chapter before a building permit or certificate of occupancy may be issued. Such drawings shall show the number of spaces and locations, dimensions and descriptions of all features as set forth in this chapter.

1129.20 ILLUMINATION OF PARKING FACILITIES.

Areas used to provide required off-street parking, and access ways thereto shall be illuminated whenever deemed necessary by the Planning and Design Commission to protect the public safety. The illumination of parking areas in office building districts shall be reduced in intensity after the close of business of the main use or uses. Lighting fixtures shall be so designed and located so as not to reflect direct

rays of light upon adjoining residential properties and streets or cause a glare hazardous to pedestrians or drivers of motor vehicles on adjacent public streets, and shall be subject to the approval of the Commission.

1129.21 APPLICATION AND DESIGN OF PARKING AREAS.

- (a) Application for Providing Facilities. An application for a building permit pertaining to constructing a building or parking facility or for a certificate of occupancy for a change in use of land or a building shall include a site plan drawn to scale and fully dimensioned, showing the proposed design of the parking area to be provided in accordance with the space requirement schedules that are a part of this Zoning Code.
- (b) Determination of Required Parking Facilities. The minimum number of spaces required for accessory off-street parking shall be determined by applying the measurement standards in Section [1129.15](#), the standards for designing parking areas in subsection (c) hereof, the schedule of accessory parking requirements for the various uses in Section [1129.16](#) and any other applicable provisions of this Zoning Code.
The Planning and Design Commission may modify the parking requirements of Section [1129.16](#) under such terms and conditions as it determines will protect the public interest where it finds based upon the factual evidence presented that due to the nature of the particular use such requirements will not be adequate to provide sufficient parking or where the strict application of the requirements will result in an excessive amount of parking related to the particular use.
- (c) Design Standards. The plan of the parking spaces of a parking area included with an application to construct a building or parking area, or change in use, shall be designed, dimensioned and the number of spaces determined in accordance with the standards for designing parking areas as may be adopted by the Commission and which is part of this Zoning Code. Design standards for enclosed parking areas and garages, shall be in accordance with other provisions of this Zoning Code.
- (d) Handicapped parking spaces shall be provided in accordance with the provisions of the Ohio Basic Building Code.

1129.22 REQUIRED TRASH AREAS.

All office building uses that provide trash and/or garbage collection areas shall be enclosed on at least three sides by a solid wall or fence of at least four feet in height if such area is not within an enclosed building or structure. Provisions for adequate vehicular access to and from such area or areas for collection of trash and/or garbage as determined by the Planning and Design Commission shall be required.

1129.23 APPROVAL OF CITY ENGINEER REQUIRED.

The City Engineer shall make a survey of the public sanitary and storm sewers to be affected by the proposed building or use set forth in the application for a building permit and shall forward his approval to the Building Commissioner prior to the issuance of a building permit.

1129.25 DEVELOPMENT STANDARDS AND CRITERIA FOR MIXED-USE DEVELOPMENTS

- (a) Purposes: The purposes of Mixed-Use Development are to:

- (1) Encourage a mixture of complementary land uses that includes residential, retail, offices, lodging, theaters and other places of assembly to create economic vitality all in the same location.
- (2) Encourage skillful planning by allowing flexibility in the type and placement of buildings while promoting coordinated architectural design within a unified development area
- (3) Provide flexibility in the siting and design of the development and subsequent redevelopment to anticipate changes in the marketplace.
- (4) Utilize design criteria for the new developments that are aesthetically pleasing and foster pedestrian movement among the facilities in the development and to and from the adjacent areas to the extent practicable.

(b) Use Parameters:

- (1) In a **Mixed-Use Development** the following uses are permitted in addition to the permitted Office Uses listed in section 1129.02 “Schedule of Permitted Buildings and Uses:”
 - A. **Retail Uses** when in completely enclosed buildings and shall include the retail sales of goods and personal services such as beauty and barber shop, banks and savings and loan, travel agency and other similar uses, Permitted retail explicitly excludes automotive services such as, but not limited to, new and used car dealerships, tire sales, vehicle maintenance and repair services, auto or truck wash, gasoline service stations and similar automotive services as determined by the Planning and Design Commission.
 - ~~B. **Hotels/motels and similar transient lodging facilities.**~~
 - C. **Restaurants** which may include outdoor dining as approved by the Planning and Design Commission.
 - D. Residential including: **Multiple Family development, Senior Citizen Housing, Congregate Housing** for Independent and/or Assisted Living, and **Nursing Care.**
 - E. **Assembly Facilities** which are limited to conference center, Meeting Halls, theaters and similar places of assembly.
- (2) Retail (Subsection (1)A, above) and Assembly Facilities (Subsection (1)E, above), combined, shall not comprise more than thirty (30 %) percent of the total floor area – including both existing and new floor area.
- (3) Residential shall not comprise more than seventy (70%) of the total floor area – including both existing and new floor area. The minimum size of the dwelling units shall be: 1-bedroom 550 sq. ft.; 2-bedroom 750 sq. ft.; and 3-bedroom 900 sq. ft.).

(4) The retail and residential percentage limitations, above, do not include ancillary or accessory uses such as dining areas, fitness centers, conference facilities, or similar activity areas when determined by the Planning and Design Commission to be provided primarily for the residents and/or guests at the hotel.

(c) **The Project Size** shall be a minimum of eight (8) acres to be eligible for a Mixed-Use Development.

(d) **Setbacks, Coverage, Height, etc.** shall comply with Sections 1129.05 through 1129.08.

(e) **Off-Street Parking** shall be developed in compliance with Sections 1129.14 through 1129.21 except as modified herein:

(1) The number of parking spaces required in a Mixed-Use Development shall be as a minimum:

A. **Offices (non-medical) – 1 space per 300 square feet** of floor area.

B. **Medical offices, dental offices and clinics – 1 space per 200 square feet** of floor area.

C. **Hotels/Lodging - .85 spaces per room.**

D. **Retail – 1 space per 250 square feet** of floor area.

E. **Residential – Attached Single Family Homes – 2 enclosed spaces per dwelling unit; Apartments - one and one-half (1.5) spaces per dwelling unit; Senior Apartments – one and one-quarter (1.25) spaces per dwelling unit; Assisted Living – one-half (.5) of a parking space per bed and Nursing Care.**

F. **Restaurants – 1 space for 75 square feet** of floor area.

G. **Assembly Facilities – 1 space for every 3 seats** of capacity.

(2) The minimum width of a parking space shall be nine (9) feet for angled parking and eight (8) feet for parallel parking when permitted on a designated public or private street or driveway.

(3) **Shared Parking:** Notwithstanding the requirements set forth in this Section, in a Mixed-Use Development, the Planning and Design Commission may approve a lesser amount of parking than the total spaces required taking into consideration: the hours of operation of uses; the overlap in parking demand

by different adjacent uses; and the operating characteristics of the specific uses proposed.

(4) For any off-street parking that is located on adjacent land which is not part of the development site (because such land, for example, is not owned by the applicant or the land is in another municipal jurisdiction such as the City of Cleveland) and such land is needed to satisfy the parking requirements of Fairview Park, the applicant shall provide the City of Fairview Park, with the development plan application, sufficient binding documentation and legal instruments, acceptable to the Law Director, that the parking is sufficiently secured to meet the parking requirements for the proposed mixed-use development.

(f) **Signs:** Signs in a Mixed-Use Development shall comply with the requirements of Chapter 1145 except that:

(1) Wall signs for each building or tenant unit (Section 1145.15 (c)(1);

(2) Canopy signs (Section 1145.15 (c)(3), and

(3) Monument signs (Section 1145.15 (c)(6)

will not be confined to the above size and height limitations of Chapter 1145 if the Planning and Design Commission determines - because of the location of the proposed development, the large size of the buildings, the overall scale of the development, and/or the location of the proposed signs relative to the adjacent street – that such larger and higher signs are compatible with the scale of the development, are appropriate to meet the needs of the businesses, and are consistent with the intent and purposes of this Section 1129.25.

(g) **Review Procedures for Mixed-Use Developments:** Development plan review is required for a Mixed-Use Development in accordance with the procedures in Section 1149.05. When reviewing the development plan the Planning and Design Commission shall consider, in addition to the criteria in Sections 1149.05 and 1149.10, and the specific intent of a Mixed-Use Development as set forth in Sub-section 1129.25 (a), above.

CITY OF FAIRVIEW PARK
RESOLUTION NO. 16-10 AMENDED (*proposed amendments from 05.23.16 committee*)
REQUESTED AND SPONSORED BY: COUNCIL AS A WHOLE

A RESOLUTION TO EXPRESS THE NEED AND DESIRE OF THE CITY OF FAIRVIEW PARK, OHIO FOR THE APPOINTMENT OF A VOLUNTEER MAGISTRATE TO PRESIDE AT COMMUNITY DIVERSION PROGRAM HEARINGS

WHEREAS, the City of Fairview Park, Ohio is within the jurisdiction of the Cuyahoga County Court of Common Pleas: Juvenile Division (Court), which pursuant to ORC. 2151.23(A)(1) has exclusive original jurisdiction concerning any child who charged in a complaint to be a delinquent or unruly child; and

WHEREAS, the City of Fairview Park filed 44 delinquency and unruly complaints with the Court in 2014, and 40 complaints filed in 2013; and

WHEREAS, many of the diverted complaints were not satisfactorily resolved and involve Fairview Park City youths who were charged with committing first time misdemeanor and status offenses for which diversion may be appropriate; and

WHEREAS, the Community Diversion Program (CDP) is a program sponsored by the Court in cooperation with the City of Fairview Park featuring Volunteer Magistrates selected by the City of Fairview Park and trained by the Court;

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF FAIRVIEW PARK, COUNTY OF CUYAHOGA AND STATE OF OHIO:

SECTION 1. That the City of Fairview Park, Ohio has a need for and desire for participation in the Community Diversion Program (CDP) sponsored by the Cuyahoga Comity Juvenile Court.

SECTION 2. That the City of Fairview Park, Ohio has a need for and desire for a Volunteer Juvenile Court Magistrate to be appointed by the Cuyahoga County Juvenile Court.

SECTION 3. That this Volunteer Magistrate shall hear and pronounce disposition on all complaints involving minor first time delinquency and unruly offenses committed by minor Fairview Park City youth which are referred by the Fairview Park City Police Department.

SECTION 4. That the City of Fairview Park, Ohio requests that attorney **Gail A. Nanowsky**, whose resume is hereto attached, to be appointed by the Cuyahoga County Juvenile Court to serve as a Volunteer Magistrate for the City of Fairview Park.

SECTION 5: It is found and determined that all formal actions of this Council concerning and relating to the adoption of this Resolution were adopted in an open meeting of this Council, and that all deliberations of this Council and any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements.

SECTION 6: That this Resolution shall take effect and be in force from and after the earliest period allowed by law.

To Whom It May Concern:

Please accept this letter as a recommendation for Gail Nanowsky. Ms. Nanowsky has served as a delinquency magistrate with me since June 18, 2012. Prior to then, she served in the same capacity for Judge Peter Sikora since 2005.

During Ms. Nanowsky's time as the delinquency magistrate with me, she handled the docket professionally and efficiently. She was responsive to my direction and inquiries. At all times, she was up-to-date with her work. Furthermore, she had a good understanding of the law and worked well with those who entered the court room.

If you have any questions or would like further information regarding Ms. Nanowsky, please feel free to contact me at arabianwhitman@gmail.com

CITY OF FAIRVIEW PARK
ORDINANCE NO. 16-18
ORIGINATED BY: THE FINANCE DEPARTMENT
REQUESTED BY: MAYOR EILEEN ANN PATTON
SPONSORED BY: COUNCILWOMAN CLEARY

AN ORDINANCE LEVYING SPECIAL ASSESSMENTS FOR THE IMPROVEMENT OF ALL OF THE STREETS OF FAIRVIEW PARK, OHIO PROVIDING AND SUPPLYING SAID STREETS WITH ELECTRIC STREET LIGHTING FOR THE TAX YEARS 2016 AND 2017, AND DECLARING AN EMERGENCY

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF FAIRVIEW PARK, COUNTY OF CUYAHOGA AND STATE OF OHIO:

SECTION 1. That the assessment of the cost and expense of improving all of the streets in the City of Fairview Park, Ohio, by providing and supplying said streets with electric lighting for the tax years of 2016 and 2017, in the approximate aggregate amount of \$300,000 for each said tax year, as reported to the Finance Director and now on file in the office of the Finance Director; be and the same is hereby adopted and confirmed, and that for the tax years 2016 and 2017, there be and are hereby levied and assessed upon the lots, lands and property bounding and abutting on said streets, or parts thereof, and served by said street lighting, the several amounts reported as aforesaid, which assessments are in proportion to the tax value thereof, and are not in excess of any statutory limitation; and said lots, lands and property are hereby determined to be specially benefited by said improvement.

SECTION 2. That the remainder of the entire cost of said improvement shall be paid out of the Street Lighting Fund of the City of Fairview Park, Ohio.

SECTION 3. That this Council hereby finds and determines that the assessments now on file in the office of said Director are in the same proportion to the estimated assessments as originally filed as the actual cost of the above described improvement is to the estimated cost of the improvement as originally filed.

SECTION 4. That the assessment against each lot or parcel of land shall be payable in cash within thirty (30) days after the passage of this Ordinance, or at the option of the owner, in two (2) annual installments. All cash payments shall be made to the Director of Finance of the City. All assessments remaining unpaid at the expiration of said thirty (30) days shall be certified by the Clerk of Council to the County Fiscal Officer as provided by law, to be placed by him on the tax duplicate and collected as other taxed are collected.

SECTION 5. That the Clerk of this Council shall cause a notice of the passage of this Ordinance to be published once in a newspaper of general circulation in this City, and to continue on file in this office said assessments.

SECTION 6. That the Clerk of this Council is hereby directed to deliver a certified copy of this Ordinance to the County Fiscal Officer within twenty (20) days after its passage.

SECTION 7. It is found and determined that all formal actions of this council concerning and relating to the adoption of this ordinance were adopted in an open meeting of this council, and that all deliberations of this council and any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements.

SECTION 8. That this ordinance is hereby declared to be an emergency measure necessary for the preservation of the public peace, health, safety and welfare; and for the further reason that it is necessary to provide funds for street lighting installation and maintenance lighting of the aforesaid streets to protect the health, convenience, and welfare of the inhabitants of the City of Fairview Park, and provided it receives the affirmative vote of a majority plus one of the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor, otherwise from and after the earliest period allowed by law.

ALTERNATIVE TAX BUDGET INFORMATION

Political Subdivision/Taxing Unit FAIRVIEW PARK CITY

For the Fiscal Year Commencing JANUARY 1, 2017

Fiscal Officer Signature _____ Date _____

COUNTY OF CUYAHOGA

Background

Substitute House Bill No. 129 (HB129) effective June 3, 2002, was enacted by the 124th General Assembly in part to allow a county budget commission to waive the requirement that a taxing authority adopt a tax budget for a political subdivision or other taxing unit, pursuant to Ohio Revised Code (ORC) Section 5705.281.

Ohio Revised Code Section 5705.281

Under the amended version of this section pursuant to HB 129, a county budget commission, by an affirmative vote of a majority of the commission, including an affirmative vote by the county auditor, may waive the tax budget for any subdivision or other taxing unit. However, the commission may require the taxing authority to provide any information needed by the commission to perform its duties, including the division of the tax rates as provided under ORC Section 5705.04.

County Budget Commission Duties

The county budget commission must still certify tax rates to each subdivision or other taxing unit, by March 1 for school districts and by September 1 for all other taxing authorities under ORC Section 5705.35, even when a tax budget is waived. Also, the commission is still required to issue an official certificate of estimated resources under ORC Section 5705.35 and amended official certificates of estimated resources under ORC Section 5705.36.

Therefore, when a budget commission is setting tax rates based on a taxing unit's need, for purposes of ORC Sections 5705.32, 5705.34, and 5705.341, its determination must be based on that other information the commission asked the taxing authority to provide under ORC Section 5705.281, when the tax budget was waived. Also, an official certificate must be based on that other information the commission asked the taxing authority to provide.

County Budget Commission Action

On October 11, 2002, during the Cuyahoga County Budget Commission meeting, the commission with an affirmative vote of all members waived the requirement for taxing authorities of subdivisions or other taxing units (Including Schools) to adopt a tax budget as provided under ORC Section 5705.281, but shall require the filing of this Alternative Tax Budget Information document on an annual basis.

Alternative Tax Budget Information Filing Deadline

For all political subdivisions excluding school districts, the fiscal officer must file one copy of this document with the County Fiscal Officer on or before July 20th. For school districts the fiscal officer must file one copy of this document with the County Fiscal Officer on or before January 20th.

A RESOLUTION AUTHORIZING THE SUBMISSION OF AN APPLICATION FOR FINANCIAL ASSISTANCE UNDER THE STATE OF OHIO, DEPARTMENT OF NATURAL RESOURCES NATUREWORKS GRANT PROGRAM, AND DECLARING AN EMERGENCY.

WHEREAS, the State of Ohio, through the NatureWorks grant program, administered by the Ohio Department of Natural Resources, administers financial assistance for public recreation purposes; and,

WHEREAS, the City of Fairview Park desires financial assistance under the NatureWorks grant program to make site improvements to Grannis Park; and

WHEREAS, the most competitive of NatureWorks grant applications include a local match by the applicant equal to or exceeding twenty-five percent (25%) of the total project cost.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF FAIRVIEW PARK, COUNTY OF CUYAHOGA AND STATE OF OHIO:

SECTION 1. That the Council of the City of Fairview Park hereby approves the filing of an application for financial assistance under the NatureWorks grant program in order to make site improvements to Grannis Park.

SECTION 2. That the Mayor of the City of Fairview Park is authorized and directed to execute and file an application with the Ohio Department of Natural Resources and to provide all information and documentation required to become eligible for possible funding assistance.

SECTION 3. That this Council does agree to obligate the funds, to be taken from the Recreation Fund (230), required to satisfactorily complete the proposed project, including as part of the application a local match equaling twenty-five percent (25%) of the project cost, and becoming eligible for reimbursement under the terms of the NatureWorks grant program.

SECTION 4. That the Clerk of Council is hereby authorized to attach a certified copy of this Resolution to the City of Fairview Park's NatureWorks grant application prior to its filing.

SECTION 5. It is found and determined that all formal actions of this Council concerning and relating to the adoption of this ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements.

SECTION 6. That this Resolution is hereby declared to be an emergency measure necessary for the preservation of the public peace, health, safety and welfare; and for the further reason that the application must be submitted by the June 1, 2016 deadline and provided it receives the affirmative vote of a majority plus one of the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the mayor, otherwise from and after the earliest period allowed by law.
