314
315 **PUBLIC SESSION**

316 MR. RABON ALLEN – 21340 Cromwell Ave – MR. RABON spoke on the city schools ballot issue and
317 read the following statement: Good evening. My name is Rabon Allen. I live at 21341 Cromwell
318 Avenue and have been a resident at that address for almost 9 years. I have a loving wife of 11 years and a
319 9 year old son who just started the third grade at Gilles-Sweet Elementary School. Tonight I would like
320 to make a public comment on Issue #112 that the Fairview Park City School District have placed on the
321 November 8th election ballot. Back in 2008, when my wife Shannon and I were looking for a community
322 to raise our son, Aidan, we looked at Lakewood, Westlake, North Olmsted, Rocky River and of course...
323 Fairview Park. Here, we found something that I believe all of the other communities do not have-
324 the ability for community, school and city leaders to support each other and collaborate on a large scale
325 to create a better future. Fairview boasts a newer elementary school and rec center- part of a larger
326 collaborative better known as the Gemini Project. Prior to the narrow passage of that issue, bringing the
327 Gemini Project from print to reality, many longtime residents have describe to me that the schools at that
328 time were best described as a sinking ship and the city was viewed as being on failing life support. With
329 much gratitude toward those community, city and schools leaders who tirelessly worked to pass the
330 Gemini Project, there is now an ongoing spirit of renewal and momentum in Fairview Park that continues
331 to build toward a brighter future. Residents enjoy modern amenities, increased property values and new
332 and younger families are moving in to the city. Fairview is listed in the top 10 of Cleveland most
333 desirable suburbs for young couples and many of those couples report that the schools are high on their
334 list of reasons they choose Fairview Park. Our Fairview Park schools are strong and getting stronger.
335 Fairview Park City Schools is only one of two districts selected in the state of Ohio to implement
336 personalized learning; using the electronic platform, Summit Base Camp. Our past and current school
337 board members have worked very hard to be good stewards of our tax dollars. The last time an operating
338 levy was put on the ballot was over 11 years. I couldn't locate the same financial success in other
339 area districts. Now is the time to build on the success of the Gemini Project and invest in
340 the improvements to our Fairview Park City Schools. Strong schools also contribute to increases
341 in property values. By giving as little as \$0.25 / day per \$100,000 home valuation, those much needed
342 renovations and repairs to our schools can go from print to reality. Additionally, the passing of Issue
343 #112 will provide a return on investment of increasing our property values. Based on a May 2016 phone
344 survey, 83.2% respondents said that the Fairview Park City Schools are important to the quality of life in
345 the community. When talking about the buildings, 80.4% of the respondents favor renovating the school
346 buildings in order to modernize and improve them. Our schools are at a crossroads and our votes will
347 determine the direction and outcome. I would like to thank our city leaders that have pledge their support
348 and given their endorsement. Now is the time to support our schools and the passing of Issue #112.
349 Similar to the Gemini Project, our children, our community and our future depends on it. In closing, I
350 wanted to highlight a few upcoming planned activities. This past weekend, we had a very successful door
351 hanger event. This week all of our registered voters will be receiving our first mailer. This weekend we
352 will be placing yard signs and donning the city with our yellow and red ribbons. On Tuesday September
353 27th from 5-8pm we are having a dine and donate event at Chipotle on Center Ridge Road. And the best
354 for last, on Saturday, October 15th from 9:30 to 11:30am in the FHS Cafeteria, the Friends of the

355 Fairview Park City Schools will be hosting a FREE pancake breakfast. It is open to all residents and we
356 encourage everyone to come. We will be conducting building tours and FHS music student will be
357 performing throughout the event.
358

359 THE CHAIR thanked Mr. Allen for taking the time to educate the community about the ballot issue.
360
