Should you lose electrical power in your home, please call the Illuminating Company Emergency Outage Center at

1-888-LIGHTSS (1-888-544-4877)

*It is recommended that you add this phone number as a contact in your cell phone so that you may call immediately.*

Each individual home must report the outage in order to provide the address/location as being without power. First Energy also uses the information to determine the size of the outage.

Once you have reported the power outage to the Illuminating Company, please call Fairview Park City Hall for monitoring purposes.
