47 **COMMITTEE REPORTS**

48 COUNCILMAN SMITH read the Finance report: The Finance Committee met on Monday, October 22,
49 2018 at 7:05pm. Present at the meeting were members of Council, Mayor Patton, Public Service Director
50 Leininger, and Law Director McGinty. The following issues and legislation were discussed: **Ordinance**

51 **18-44** is an ordinance authorizing the Mayor to enter into a contract with the Cuyahoga County Board of
52 Health for health services for the years 2019 and 2020. The costs will be paid from funds received from
53 county regular property taxes in equal semi-annual installments in the amounts of \$39,877.50 for 2019 and
54 \$45,851.00 for 2020. Council briefly discussed the possibility of a city or regional service, which could be
55 more costly due to having to staff and have available for all city-sponsored functions and events. A motion
56 to place on second reading and subsequent third carried by a vote of 7-0. **Ordinance 18-45** supports and
57 authorizes the submission of an application to the Cuyahoga County Department of Development for the
58 2019 Community Development Supplemental Grant program to provide financial assistance for police
59 department renovations, an ADA compliant women's restroom and authorizing the Mayor to accept grant
60 funds, file documents and execute agreements to receive funds. The CDSG program provides one hundred
61 percent (100%) reimbursement for project costs in an amount not to exceed Fifty Thousand Dollars
62 (\$50,000), which the City will pay out of the Permanent Improvement Fund (260). The estimated total
63 cost for the Project is Two Hundred Thousand Dollars (\$200,000). Applications are to be submitted
64 by November 30, 2018, and Council voted to pass on 2nd reading emergency by a vote of 7-0
65 vote to expedite and meet deadline for application. Ordinance 18-39 authorizes the mayor to execute an
66 agreement with Construction Resources, Inc. to provide construction administration and field observation
67 services for the Gemini Center roof replacement project. This contract is for an amount not to exceed
68 \$76,000, and would become effective once construction commences up through inspection, for up to five
69 months of services. A motion to place up for third read and final passage carried by a 7-0 vote. **Ordinance**
70 **18-40** authorizes the Director of Public Service and Development to advertise for bids and the Mayor to
71 enter into a contract with the lowest responsive and responsible bidder as determined by the Board of
72 Control for the Gemini Center natatorium roof replacement project. Council briefly discussed the insertion
73 of responsible bidder language in ordinances for city projects. The cost of the project is in an amount not
74 to exceed \$1,732,500, including \$1,650,000 in construction costs and contingency costs not to exceed five
75 percent (5%) to be paid from the Recreation Capital Fund 231. Financing for payment of the cost of the
76 replacement is not in this, and legislation should be before council for that consideration within a
77 month. Council would like to have an explanation from the Administration for the cost of the project and
78 options to pay for it in advance of considering the award of a contract so that it can be communicated to
79 residents when and where applicable. A motion to place up for third read and final passage carried by a 7-
80 0 vote. **Ordinance 18-46** authorizes an additional increase in expenditures to the law firm of the Vickers
81 Law Group Co. LPA as special counsel for the resolution of construction issues at the Gemini Center.
82 Council initially approved expenses not to exceed \$56,000 on January 16, and an additional \$44,000 on
83 July 2, 2018. This ordinance requests an additional \$50,000 taking the total to \$150,000. The additional
84 expenses are due to an increase in the number of hours needed to prepare for an arbitration hearing in
85 this matter currently scheduled in February 2019, which has not been settled. A motion to place on second
86 reading and return to committee carried by a vote of 7-0. **Resolution 18-15** is in support of the
87 establishment of a national postal banking system to expand and enhance existing services such as check
88 cashing and international money transfers, and to take necessary steps towards designing and
89 implementing additional financial services. There was discussion on what services would be provided by
90 the Post Office and the statistics. Every other developed country in the world has postal banking, and the
91 U.S. Conference of Mayors has also endorsed postal banking. This resolution would be helpful to
92 consumers who currently have obstacles including bank closures and high fees to check-cashing and other
93 financial services. A motion to pass on emergency second reading carried by a 7-0 vote. The Finance
94 committee ended at 7:38 p.m.
