Welcome back!

This month, we welcome Autumn with its cooler temperatures and changing of the leaves. One of the biggest changes we are looking forward is being able to open our building on Monday, October 19th for limited in person programs. Your safety is our first priority and we encourage you to call us with any questions about our reopening guidelines. **We will not be serving coffee or congregate lunches until further notice.** **All activities will be limited to 10 people or less and preregistration is required for every program.** Masks are required for all participants. As we begin this first phase of reopening, our hours will be reduced to implement sanitizing procedures. **New Senior Center hours starting Monday, October 19th will be: Monday/Tuesday/Friday from 9:00am-3:00pm.**

Computer Lab & Library Lending

On Mondays and Fridays at noon we will take reservations for our (socially distanced) computer lab and book lending library. Come play a game of solitaire, borrow a book, check your email or join the Virtual Bingo game!

Marc's Pharmacy will be administering high-dose flu vaccines on Thursday, October 22nd from 10:00am-1:00pm. **Appointments are required.** Please arrive no more than 5 minutes before your scheduled time and don't forget your Medicare card!
